HAPARA

- Staff are creating content for Hapara
- Students use Hapara for all of their classes

The screenshot displays the Hapara user interface. On the left is a vertical sidebar with a light gray background. It features a small Hapara logo at the top, followed by four icons and labels: a stack of papers for "Workspaces", a checklist for "To do", a folder for "My files", and a backpack for "Backpack". To the right of the sidebar is a horizontal header bar with a hamburger menu icon and the text "All my classes". The main content area is titled "Workspaces" and contains four vertically stacked cards. Each card has a title, a brief description, and a small representative image on the right. The cards are: "6/7 Social Studies" (with a map image), "Grade 4/5 Class announcements/Updates/Questions" (with an image of a student), "ZOOM LINKS" (with a laptop image), and "NSD: ELA Daily 5 Circuits" (with a bookshelf image). Below the "NSD: ELA Daily 5 Circuits" card, it says "Last updated a few seconds ago". At the bottom of the interface is a horizontal row of four panels: "Goals", "Resources", "Student Tasks", and "Assessment/Feedback". Each panel has a header with a plus icon and a main content area with a title, a description, and a "Show more" link. The "Goals" panel shows a card titled "What are goals?" with an image of an apple on books. The "Resources" panel shows a card titled "What are resources?" with an image of tools on a shelf. The "Student Tasks" panel shows a card titled "writing prompt for Emergency Plan" with a forest image. The "Assessment/Feedback" panel shows a card titled "What is Assessment/Feedback?" with an image of a person climbing stairs. Each panel also has a "Listen" button and a "Show more" link.
