August, 2016 Quarterly Report

Superintendent's Update

Literacy

The results of the division literacy assessments were presented at the June board meeting. The results showed promising positive trends. Throughout the year the vast majority of students demonstrated increases in reading levels. The data suggests that as students' progress through elementary grades more of them are reading at grade level. The reading results were also paired with attendance data to provide information on the relationship between attendance and achievement.

Due to the closure of schools as a result of the wild fires, the results were not aggregated at the division level.

School leaders will be using the results of the June assessments to inform their literacy plans for the 2016-17 school year.

At the August administrators meeting, school leaders learned to administer the CAT 4 which will be used to assess reading levels of students in grade six and above.

First Nation Metis and Inuit Learning

Over the summer, the Director of First Nations and Metis Student Success developed a draft strategic action plan focused on providing support to build capacity to provide instruction in indigenous languages. During orientation all new staff had the opportunity to learn about First Nations and Metis perspectives as well learning about the history of residential schools.

At the August administrators meeting, school leaders discussed fall plans for community engagement activities.

Student Attendance

Attendance data indicates that student attendance is improving over previous years. While there is improvement, more needs to be done to address the needs of students whose attendance has not improved despite many interventions. Working closely with parents local community partners to highlight the importance of regular attendance will continue to be a high priority.

Quality Teaching and Leadership

Human Resources have been very actively recruiting teachers and leadership staff to ensure that our schools are fully staffed for school opening. As well, we have recruited several itinerant teachers who will provide supply teacher service.

During July, several of our new administrators were supported to attend the CASS Start Right Program for new school administrators. This program is designed to support new school administrators in their role as principals.

Partnerships

We have continued to work with our educational partners particularly Kee Tas Kee Now (KTC) and Bigstone on initial implementation of the Building Collaboration Agreements. Key highlights of this work include the contracting of a graduation coach in the Wabasca and the secondment of staff member from Northland to KTC to provide leadership on curriculum development. Partnership work with Athabasca Tribal Council was delayed by the wildfires in Fort McMurray.

Wabasca-Desmarais Education

A two day value scoping session facilitated by Alberta Infrastructure was held in June. The session was well attended by students, staff, parents and community members. The results of the session will be used to develop plans for the modernization of Mistassiniy School.

August, 2016 - Quarterly Report Divisional Priorities

Bulletin 2

Literacy Plan to	AERR Priority:					
Support Schools	Continue the Literacy Focus Group, principal PLC's and working with schools to improve Literacy instruction for English, Cree and Dene Languages to meet or exceed division annual improvement targets.					

Plans were made for the NSD61 literacy initiative that have centred on maintaining Principal and Literacy Lead PLC's reviewing literacy practices based on research, data analysis and cross referencing data with students on IPP's. Meetings were held in May and June to plan the focus for the 2016-17 school year. One major change that has occurred is that we have a new Pedagogical Supervisor that will be working with the Literacy team for the 2016-17 school year. This will enable more school based support for teachers and administrators with regards to Literacy instruction. Our plan is to focus this year on Kindergarten-Grade Two teachers with regards to training and staff development. Professional development was planned for August 30-31 and September 15-16 for all Kindergarten through grade two teachers. In addition principals were asked to invite any community Headstart or preschool teachers to the training. Division priorities were reviewed with the teachers as well as a systematic and sequential approach to Literacy instruction for these teachers. Our Literacy structure is for all teachers to use the Daily 5 structure within their classrooms to enable small guided instruction groups. Guided reading has been a focus for all of our schools and it continues to be. A renewed focus has been taken with regards to Response to Intervention and we will be providing training in Levelled Literacy Intervention to schools that just received the resource. We will continue to travel to schools to provide support and training for teachers. NSD61 works collaboratively with the Kee Tas Kee Now partnership as well as Oski Pasikoniwew Kamik School in Wabasca.

The Literacy data was presented to the Northland School Division trustee and advisory board in May and at the June 24th Board meeting.

In August all new staff to the Division were trained in our major initiatives with regards to Literacy. We have also made the decision to commence the Canadian Achievement Test with all grade 6-12 students within the Division. This will enable us to track data at these grade levels with more detailed information than just a reading comprehension level. Students will be tested on reading comprehension, vocabulary, spelling and language conventions.

First Nation, Métis, Inuit Learning Strengthen implementation of land-based and experiential learning to improve student engagement, attendance, learning, and achievement.

Complete the Community Resource List for all Northland

Communities.

As part of the Building Capacity and Collaboration in Education grant for land based learning. A second voluntary based learning camp for teaching staff was offered from June 10th to June 13th 2016. The purpose was to continue supporting and assisting teachers how to unpack the curriculum to determine essential learning outcomes to the land based learning experiences.

The community resource list is ongoing.

Attendance	AERR Priority:				
Initiative	Continue working with the Attendance Improvement Committee and schools to improve division wide attendance.				

NSD61 Attendance Continues to Improve

Since implementation, overall student attendance in the jurisdiction has improved by 3% (i.e. 2013-2014 = 78%; 2014-2015 = 80% and 2015-2016 = 81%). To continue this upward trend, we need to support schools who require targeted assistance. This targeted help is in the form of home visits, land-based learning mentor & leadership camps for chronic non-attenders, community meetings with leaders and interested stakeholders, engaging learning opportunities for students, and support from Alberta Attendance Review Board. Additional funding to support School Community Liaison Workers (SCLW) in schools would build much needed communication bridges between schools and homes.

2015-2016 Attendance Highlights

- NSD61's attendance improvement initiative has been operational since September 2014. Since
 that time, Division overall attendance has improved by 3% (i.e. 2013-2014 = 78%; 2014-2015 =
 80% and 2015-2016 = 81%).
- 4 schools have yearly attendance rate of 90% or better for the 2015-2016 school year Elizabeth School, J.F. Dion School, Conklin Community School and Susa Creek School. There were only two schools with an overall attendance rate of 90% or better for 2014-2015.
- During the 2014-2015 school year, 877 (31%) students had an overall attendance rate of 95% or better. For the current year, 971 (36%) students achieved our attendance target of 95% or better. This is a 5% increase over the previous school year.
- For the current school year, 1338 (49%) students have an attendance rate of 90% or better.
- Industry (i.e. Cenovus Energy, Suncor Energy, and Devon Oil) embraces and financially supports NSD61's attendance initiative by contributing to our school-based elders programs.
- Of 23 schools (including one outreach program), 21 have either maintained or improved their

5 of 28

overall yearly attendance rates from the previous year.

NSD61 has developed an attendance improvement rubric. There is an expectation that school principals, staff, and Local School Board Committees use the rubric to gauge their school's compliance with the 29 recommendations outlined in the Attendance Improvement Initiative – Every Day Counts Final Report.

Attendance Improvement Committee Activities

Since the last Quarterly Report, the Attendance Improvement Committee met on Saturday, June 18th, 2016 in Wabasca to discuss:

- Strategies focused on how best to re-integrate chronic non-attenders back to school (i.e. an active elders program that reaches into the home; land-based learning opportunities that focus on basic academic skills; build into Jr./Sr. school timetabling 'catch-up programs' that are designed to meet individual student needs, counseling programs that reduce the 'shame' of returning to school after long absences, provide increased funding to a "pilot" school to create innovative programs and projects that represent out-of-the-box thinking, create a 'welcoming' committee at the school level that embraces students who have been absent from school for a prolonged period of time). Actively solicit support from community leadership (i.e. political leaders) to assist with promoting the importance of regular attendance is also thought to be a worthwhile strategy.
- As a committee, how can we best support communities to address the social and economic challenges that exist in our communities?
- > The school attendance improvement rubric was discussed and approved for distribution to school principals.
- How can we support principals when they have exhausted every possible strategy to get chronic attenders back to school?
- ➤ Reviewed attendance patterns for all schools for the years 2014-2015 and 2015-2016 compared to the 2015-2016 Northland attendance average.

The next Attendance Improvement Committee meeting is scheduled for mid-September 2016 at Northern Lakes College in Wabasca.

Next Steps in the NSD61 Attendance Improvement Plan

- Over the past three years there has been significant attendance improvement in the majority of Northland schools. There are, however, a number of schools that require targeted help and support from Central Office. This targeted help is in the form of home visits by the DAL/School administration, land-based mentorship transition campouts for chronic non-attenders, community meetings with leaders, an infusion of program support dollars, assistance from the Alberta Attendance Review Board and/or a combination of all of the above.
- Recent student attendance patterns indicate that greater numbers of students are attending school at higher rates than ever before i.e. 90% and above. However, there continues to be a very large percent of students whose attendance patterns are below the 80% attendance rate. Even more disturbing are the 9% (267) of Northland students whose attendance patterns are below 50%. The DAL will continue to work with individual schools and community stakeholders (i.e. First Nation chiefs' and Councils', Métis Settlement chairs' and councils' and community agencies) and the NSD61 Attendance Improvement Committee to develop strategies that

6 of 28

specifically target chronic non-attenders.

- To supplement our existing fleet two additional school buses need to be purchased in order to safeguard regular daily bus services to and from our schools. The new buses would ensure that there are spare buses available in the event of unexpected mechanical breakdowns which is commonplace in northern sectors and that schools have reliable access to educational field trips. Unfortunately, the costs of two school buses will add a financial burden of \$200,000 to an already overextended budget.
- To fully operate NSD61's Attendance Improvement Initiative Plan, specific recommendations (#21 and #23) in the Attendance Improvement Initiative "Every Day Counts" Report will require an infusion of dollars. Only three NSD61 schools have access to School Community Liaison Workers (SCLW). The SCLW role is critical to building a bridge between the school and the school community of parents and community leadership. It is the local SCLW who facilitates dialogue with parents and guardians to ensure children attend school and offers support when there are home issues. The SCLW works hand-in-hand with parents, the school administration and teachers to facilitate regular school attendance.
- Approximately 10-15 SCLWs will need to be hired to further support the school and the school community. With an average salary of \$62,500, an additional 15 SCLWs would add an additional financial burden of \$930,000. The Attendance Improvement Committee believes that the acquisition of 10-15 SCLWs is a priority and necessary to continue division-wide attendance improvement efforts.
- There are two reasons to supplement our existing fleet of school buses to safeguard regular daily
 bus services to and from our schools: (a) to ensure that there are spare buses available in the
 event of unexpected mechanical breakdowns which is commonplace in northern sectors and (b)
 to ensure that students and teachers have reliable access to educational field trips. Four
 additional buses need to be strategically located throughout the division to support our schools.
 Two additional school buses will add a financial burden of \$200,000 to the already overextended
 division budget.

NSD61 is working on many fronts to improve student attendance — at the school level, parent and student level, community engagement and agency level, local political leadership level and the partnership level. We understand there is no quick fix or 'silver bullet' to improved attendance. In many cases, there are social, economic, historical and political pressures that directly impact our schools and student attendance. These pressures are more often than not beyond the control of the school. It should go without saying that our school communities are unique and, as such, will progress and develop at a pace that is appropriate to that community.

School Attendance Improvement Summary Reports

Principals submitted their school-based attendance improvement summary planning reports to the DAL on June 15, 2016. These reports highlighted school progress for the 2015-2016 school year; including school attendance successes, challenges and particular barriers to strategy implementation at the school and community levels.

Quality Teaching and AERR Priority:	
Develop indicators of quality teacher performance related to key improvement areas and enhance instructional leadership and strengthen teacher supervision and evaluation to improve teacher practice.	

Human Resources worked with a sub-committee to develop a Northland School Division Teaching Quality Standard rubric/guide for principals based on the feedback provided in 2015/16. This guide provides indicator of what principals should look for when supervising teachers in the Northland context. It will be released at the October 2016 Administrators' Meeting

At the May 2016 Administrators' Meeting, administrators looked at the new draft Teaching Quality Standard and the School Leader Quality Standard. Principals started to identify the supports and resources they will need to use these documents within the Northland School Division context.

Partnership with KTC	AERR Priority:	
	In partnership with KTC, move forward with the	
	regional/virtual high school.	

As part of moving forward with the regional virtual high school concept, this spring KTC, NSD and Red Earth School participated in weeklong CTS program offered at Peerless Lake School. Students participating in the program were bussed daily from their home community to Peerless Lake for full day intensive programming. This model proved very successful in providing an opportunity for a group of students from different schools to gain advanced credits. Additional transportation in the form of dedicated buses will be required to expand this program.

Wabasca-Desmarais	AERR Priority:	
Education	In consultation with the school community, develop and	_
	begin implementation of a multi-year operational plan to	
	improve student attendance, achievement and high school	
	completion for junior and senior high school students	
	beginning in Wabasca – Desmarais.	

In June, a two day community consultation was held at Mistassiniy School with representatives from Alberta Infrastructure and approximately 60 members of the community. Students, parents, staff, and local governance and industry representatives provided input to the value scoping process that will

R of JX

inform the development of the proposal for the modernization of Mistassiniy School.

Student mentors who are being supported by Darrell Anderson, community engagement co-ordinator took an active part in the process and their contributions help to ensure a strong student voice in the discussions.

Darrell Anderson will continue in his role as community engagement co-ordinator in the Wabasca-Desmarais area working with youth in all schools, supported by the Northland 2016-17 budget.

Process Formalize the Northland school review process related to key improvement focuses and pilot in selected schools.

A School Review Committee has chosen a pilot school to complete the school review process. The first meeting is scheduled for September 28, 2016.

Northland schools showing reading level improvement

For immediate release - June 24, 2016

Student and parent participate in Super Family Literacy Night at St. Theresa School in Wabasca-Desmarais!

Almost 80% of our schools are showing improvement with students reading at grade level! This improvement is a result of our focus to improve student literacy. Results show an 8% increase in the number of students reading a grade level. June results are not available for Anzac Community School, Bill Woodward School, Fort McKay School and Father R. Perin School due to temporary closures related to wildfires. This progress report was presented by Janette Cavanaugh, Division Principal Literacy and Maureen Chernipeski, Pedagogical Supervisor. See Board Attachments for more information http://nsd61.ca/download/80383 (page 1).

I chose this photo because I think this photo shows our community and how it looks. This photo speaks to me because the landscaping shows a little bit of our culture and our heritage. The lake is a big part of our community because our community is called Trout Lake. We get our water from the lake. The pipes pump water into the water plant so the workers can clean out the water. The trees are a big resource of ours as well because the trees help keep us warm when we

make fires in our fire stoves. The fire that we make helps us make traditional foods one very traditional food that we make over the fire is dry meat. There are a lot of traditional things that are important in our culture. This picture shows our land and the beauty of the nature all around us. This is where I'm from.

I chose this picture because it has a high standard of natural architecture. In this image the camera is very focused on the sun rising up into the nice blue sky with many altocumulus clouds in the background and shade hitting the surface of the tree. The spring time buds are growing out of the oak trees, almost looking like tiny butterflies sitting all above the branches. The sky looks like a little bit of sapphire blue. The poplar trees look almost as if they were supposed to be

gray. The sun brings out the sky and the trees. Branches look as if about to fall off, and hit the ground. Looking a little closer you can see the little tiny pine trees sitting there at the bottom left angle. I chose to shoot this photo looking up because of the beautiful weather and also the poplar trees had a very nice shading coming from the sun.

Northland schools celebrate Aboriginal Day

For immediate release - June 21, 2016

National Aboriginal Day is annually held on June 21st to celebrate the unique heritage, diverse cultures and outstanding achievement of Aboriginal peoples in Canada. See how Northland schools celebrated Aboriginal Day!

Conklin Community School students developed a deeper understanding about Traditional Hands Games on Aboriginal Day. Hand Games involve hiding and guessing objects through using elaborate hand signals, songs, rhythms and gestures to both hide and find the object.

Grouard Northland School hosted a community breakfast to kick-off Aboriginal Day. Students participated in activities at the Cultural Museum and When We Are Healthy (WWAH) staff organized Cree culture sessions.

Hillview School participated in land-based learning activities to celebrate Aboriginal Day on June 21st. Kindergarten to grade 3 students learned about the local land and the animals and grade 4-6 students went canoeing and developed an understanding on how to properly skin a deer.

Mistassiniy School hosted an all day celebration on Aboriginal Day. The day started with opening prayer with Elder Betty Jackson. The event also include local drumming performance, hand games, fish fry, bannock on a stick and storytelling.

Paddle Prairie Métis Settlement hosted an Aboriginal Day celebration. Paddle Prairie School and Dr. Mary Jackson School students, staff, parents, Elders and community members participated in various sessions such as learning how to make a mini Métis Sash, creating art with fish scales and learning how to make moccasins.

St. Theresa School organized a variety of activities in recognition of Aboriginal Day. Activities include, Identity Station, Traditional Games, Storytelling, Craft Station, Bannock Station, Music/Singing Station, Seven Teaching, Drumming and a talent show.

Motivational week of learning at New Teacher Orientation

For immediate release - August 31, 2016

An educator described Northland School Division's (NSD) New Teacher Orientation in Wabasca-Desmarais as one of the best introductions to any workplace she's ever had. From August 22-26, 2016 at St. Theresa School, new educators became familiar with First Nations, Métis and Inuit (FNMI) perspectives, cultural traditions and various initiatives across NSD. The week began with opening prayer from local Elder Nora Yellowknee; and welcoming remarks from Local School Board Committee members Louis Cardinal and Ernie Grach, Gord Atkinson, Superintendent of Schools and Lois Byers, Official Trustee.

During the week, educators developed a better understanding about Northland communities, Aboriginal culture, literacy assessment tools, classroom management practices and health and wellness ideas that can be integrated into the classroom. Laurie Elkow, a newcomer at Mistassiniy School, says the highlight session was Bee Calliou Schadeck from Center of the Sky. Bee educated teachers about Canada's history and how it impacted Aboriginal peoples. During the presentation, she wove in personal stories while explaining Residential Schools and the

impact it has in our school communities. In addition to in-school sessions, activities such as kayaking, pontoon boating, golf, and beach volleyball were organized to help teachers bond with each other. Chelsea Cattroll, one of many to participate in golfing at the Eagle Point Golf Course, will begin her education journey at Peerless Lake School this year. She says the orientation helped her feel welcome and comfortable.

"I immediately felt welcomed by everyone that I met and I felt like I had become part of the Northland family right from the start," said Cattroll. "I really valued that all the guests at orientation had a valuable message and contribution to ensure that I would have a successful start as a beginning teacher and reassured me that everything would be alright and that they would be there for me. If I were to reflect on what I feel was left out of the orientation week, I would have a hard time coming up with things that I feel were missed, as I feel it answered all of my questions I had going into the orientation. I left with a sense of community and I found it valuable to have face to face interactions with the staff that I will be working with this coming year."

A special thank you to Karen Alook, Head Cook from St. Theresa School, Leanne Gladue, Head Cook from Mistassiniy School, Gina Kotash, Casual Cook and Emily Hunt, Operations Manager from School Food Services, for preparing delicious meals for new teachers, central office staff, principals and guests during New Teacher Orientation!

- 2.3 Develops pathways beyond the residential school legacy.
- 2.4 Ensures the safety and well-being of students while participating in school programs or while being transported on transportation provided by the Division.
- 2.5 Ensures the facilities adequately accommodate Division students.
- 2.6 Acts as, or designates, the attendance officer for the Division.

3. Fiscal Responsibility

3.1 Ensures the fiscal management of the Division by the Secretary-Treasurer is in accordance with the terms or conditions of any funding received by the Board under the School Act or any other Act.

- 3.2 Ensures the Division operates in a fiscally responsible manner, including adherence to recognized accounting procedures.
- 3.3 Directs the preparation and the presentation of the budget.
- 3.4 Ensures the Board has current and relevant financial information.
- 3.5 Directs the preparation of the Three-Year Capital Plan for submission to the Board.

4. Personnel Management

- 4.1 Has overall authority and responsibility for all personnel-related matters, except the mandates for collective bargaining and those personnel matters precluded by legislation, collective agreements or Board policy.
- 4.2 Monitors the performance of all staff and ensures appropriate evaluation processes are in place.
- 4.3 Supports staff in accessing the professional learning and capacity building needed to meet the learning needs of First Nations, Métis and all other students.
- 4.4 Ensures the coordination and integration of human resources within the Division.
- 4.5 Ensures that each staff member and contractor is provided with a welcoming, caring, respectful and safe working environment that respects diversity and fosters a sense of belonging.

5. Policy/Administrative Procedures

- 5.1 Provides leadership in the planning, development, implementation and evaluation of Board policies.
- 5.2 Develops and keeps current an Administrative Procedures Manual that is consistent with Board policy and provincial policies, regulations and procedures.

6. Superintendent/Board Relations ("The First Team")

- 6.1 Engages in and maintains positive, professional working relations with the Board.

SUBJECT: PROCEDURE 404 – RECRUITMENT AND RE-ASSIGNMENT OF

CERTIFICATED STAFF

ORIGINATOR: PERSONNEL COMMITTEE MEETING

RECOMMENDATION

That the Board of Trustees approve the attached changes to Procedure 404 – Recruitment and Re-Assignment of Certified Staff.

BACKGROUND: Following the May 27/28, 2016 Board meeting, copies of this

procedure was sent to all Local School Board Committee Chairs

and principals with a request for feedback.

Recruitment and Re-Assignment of Certificated Staff

Background

The selection and appropriate assignment of certificated staff members is essential to providing a high quality educational program to the students of the division. As certificated staff will be working in local communities it is also vital that opportunities for community input into the selection process be provided.

Wherever possible, the **Board**–Superintendent will provide opportunity for local interviews of certificated staff.

Procedures

- 1. The superintendent Superintendent shall—will ensure that an effective recruitment process is developed and implemented in order to ensure that quality applicants are attracted to the division.
- 2. Advertisements for vacant positions shall be posted within the province of Alberta. Advertisements will be made outside of the province, if necessary.
- All advertisements shall provide some background information about the division and /or a specific location where a specific vacancy may exist. In addition advertisements shall describe the multi-cultural nature of the division.
- 4. Applicants shall be directed to submit their application to the superintendent, or designateDirector of Human Resources, who will ensure that all applicant files are carefully reviewed for interviews.
- 5. The Human Resources department will collect and review all applicants for certified positions. The review of the applicant's file for certificated positions shall consist of a consideration of:
 - 5.1 Competency in the Alberta Teaching Quality Standard, including classroom routines and management, teacher/student/parent relations and lesson development and delivery.
 - 5.2 Relevant or successful experience related to the teaching assignment.

Recruitment and Re-Assignment of Certificated Staff

Recruitment and Re-Assignment of Certificated Staff

6.46.1.4A a copy of the Collective Agreement outlining salary and benefits.

6.56.1.5 Information information on selection procedures.

- 7. The Human Resources department will forward suitable applications to the principal or supervisor of the open position for consideration at the local interview level. Human Resources will also inform the principal or supervisor whether any of the applicants have a recent reference check on file.
- 8. Principals or supervisors should review the applications provided by the Human Resources department and shortlist for local interviews:
 - 8.1 Whenever possible, a minimum of three candidates should be considered.
 - 8.2 If a shortlisted candidate does not have a reference check on file with Human Resources, whenever possible, reference checks should be conducted by the principal or supervisor to assist with the shortlist. If reference checks cannot be done until after the interview, then only the preferred candidate(s) references(s) need to be completed.
 - 8.2.1 all reference checks need to be submitted to Human Resources when they are completed.
- 7.— Preliminary interviews shall-be-conducted by interview teams in order-to determine the overall-suitability of each-candidate. A summary statement of each interview shall be submitted to the human resources department.
- 8. The principal may, in consultation with the Local School Board Committee, advise the human resources department of any special qualifications or considerations for vacant positions prior to the selection of candidates for a local interview:
- 8. Suitable candidates, as well as teachers currently on staff seeking reassignment, may be given a local interview. Whenever possible, it is desirable to have three applicants for each position attend a local interview.
- Local interviews for certificated staff shall be conducted in the following manner:

Recruitment and Re-Assignment of Certificated Staff

- 9.1 Whenever possible, interviews shall take place on a face-to-face setting. Should a face-to-face setting not be available, then alternate media such as video-conferencing or teleconferencing shall be used. A Northland senior administrative officer may be designated by the Superintendent to participate with the local interview committee and may accompany qualified candidates to the local interview.
- 9.2 The interview shall be conducted by a committee consisting of the principal and Local School Board Committee members. At the discretion of the Superintendent and/or Local School Board Committee, a representative of any respective First Nations Band, Local Métis Settlement and/or Local Community Association may be present.
- 9.3 Any individual that is in a conflict of interest with any of the candidates shall be excluded from the interview and selection process.
- 9.4 Interviews need to occur in a timely manner. The Principal or a Northland senior administrative representative shall notify all of the members of the interview committee of the interview date and time once it has been agreed to by the chairperson, principal and senior administrative staff.
 - 9.4.1 should a date be set and the interview committee members are not available, the interviews shall proceed as scheduled with the principal and a senior administrative staff person, who will then inform the Local School Board Committee of the recommendation.
 - 9.49.4.2 should the local interview committee be unable to set a timely date, the principal in consultation with a Northland senior administrator shall act in place of the local interview committee, set a date, conduct the interviews, and then inform the Local School Board Committee of the recommendation.
 - 9.4.3 The the interview committee will recommend, in order, their preferred a—candidate(s) to the superintendent Superintendent for employment based upon overall

Recruitment and Re-Assignment of Certificated Staff

GORD ATKINSON, SUPERINTENDENT OF SCHOOLS

SUBJECT:

PROCEDURE 431 – EMPLOYEE BENEFITS

ORIGINATOR:

PERSONNEL COMMITTEE MEETING

RECOMMENDATION

That the Board of Trustees approve the attached changes to Procedure 431 – Employee Benefits.

CURRENT SITUATION:

Teaching couples under the current collective agreement are allowed to choose which benefit plan (single or family) under Alberta School Board Employee Benefit Plan (ASEBP) they want. For non-teaching staff only one out of the couple can choose the family plan while the other must elect the single plan.

BACKGROUND:

In the last round of collective bargaining, the Board and the ATA agreed to remove the restriction of only one ASEBP family plan per teaching couple. NSD usually parallels the intent of the collective agreement with relevant policies and procedures.

This requires removing section 2.2.1 of Procedure 431 Employee

Benefits.

OPTIONS:

Employee Benefits

The Board recognizes that benefits, in addition to salary, are an integral part of the total compensation plan for employees. These benefits are intended to promote employees' economic security and include a comprehensive health insurance program.

A number of health benefits are established through negotiations with the Alberta Teachers' Association. In an effort to be fair, health benefits granted to teachers will generally be granted to other employee groups, as detailed in the guidelines.

Guidelines

1. Alberta Health Care

The Board shall pay the premiums with accordance with the percentages prescribed by the current collective agreement for Alberta Health Care for all employees, except those classified as casual.

2. Alberta School Employee Benefit Plans

- 2.1 The Board shall pay the premiums, in accordance with the percentages prescribed by the current collective agreement, for:
 - 2.1.1 Alberta School Employee Benefit Plan Extended Health Care
 - 2.1.2 Alberta School Employee Benefit Plan Dental Care
 - 2.1.3 Alberta School Employee Benefit Plan Vision Care
 - 2.1.4 Alberta School Employee Benefit Plan Life Insurance
 - 2.1.5 Alberta School Employee Benefit Plan Long Term Disability

for all employees except those classified as casual, provided that they meet the Alberta School Employee Benefit Plan eligibility requirements.

2.2 Participation in the plans shall be a condition of employment unless the employee has Treaty Indian status and wishes to exercise the option of waiving Extended Health Care, Dental Care, and Vision Care only, or the employee has spousal coverage through Northland School Division.

MTM: August 9, 2006

BM: #22280/09 (Jan. 24/09)

Employee Benefits

- 2.2.1 In the case where the spouse is a teacher or employed in another capacity with the Board, couples have the option of choosing whose cheque their benefits will be deducted from, or either spouse may select single coverage only, but not a combination of family and single coverage.
- 2.3 All premiums for Alberta Health Care and ASEBP in excess of the Board's contribution shall be paid for by the employee through Payroll Deduction.
- 2.4 Effective September 1, 1999, employees employed on a temporary contract are not eligible for the Alberta Health Care and ASEBP coverage outlined herein until they have provided service on a continuous basis for one full calendar month. The coverage will begin on the first day of the following month. Where an employee is employed on a temporary contract and wishes to be covered under the ASEBP, such employees may apply for coverage and shall be responsible for the total cost of all premiums for the first month. Should an employee be hired for more than one temporary period per school year or consecutive temporary periods of employment, they will be required to adhere to the one (1) month waiting period, once.
- 2.5 For staff who have made application for EDB benefits and who do not have enough accumulated sick days to extend through the 90 day waiting period, the Board will be responsible for the EDB, Life Insurance, EHC, Dental, Vision and AHC premiums for those months without pay to the 90th day. After the 90th day, the employee will be responsible for all premiums.

3. Pension Plan

- 3.1 The Board shall enroll each employee who holds an Alberta Teacher's Certificate in the Teachers' Retirement Fund Pension Plan.
 - 3.1.1 Contributions to this plan shall be made solely by the teacher.

Employee Benefits

- 3.2 The Board shall enroll, and pay employer contributions, for all eligible non-teaching staff in the Local Authorities Pension Plan.
 - 3.2.1 For purposes of this clause, eligibility is determined by the Local Authorities Pension Plan on the basis of a minimum 30 hours worked per week, and who do not have a predetermined-end date.
 - 3.2.2. Participating classes are: Administrative staff not covered by the New Teachers' Salary Agreement, Support Staff (Divisional Office Secretaries, Clerks and School Secretaries) Caretakers and Paraprofessional staff excluding Special Assistants who have a pre-determined end date and bus drivers.
 - 3.2.3 Staff serving a probationary period and who qualify to contribute to LAPP shall participate.
 - 3.2.4. During an approved leave of absence without salary or on approved Extended Disability Benefits or receiving WCB payments and no salary from the employer, no contribution to LAPP will be made by the employer unless the plan member purchases their leave. The Local Authority Pension Plan guidelines will be followed.
 - 3.2.5 All employees currently receiving a monthly pension from LAPP are excluded from membership.
 - 3.2.6 All employees 71 years of age and older are excluded from LAPP membership

4. Voluntary Life Insurance

4.1 The Board shall make available the Alberta School Employee Benefit Plan Voluntary Life Insurance Plan for all interested eligible employees; however, the Board is not responsible to administer the plan in any respect.

5. Worker's Compensation

5.1 The Board shall pay 100% of the premiums for Worker's Compensation Benefits to designated employees.

Employee Benefits

- 5.2 If in the event of injury, an employee's sick leave will be debited and full salary paid until sick leave accrued is completely utilized, up to and including 90 calendar days.
 - 5.2.1 After 90 calendar days or upon the expiry of accrued sick leave, the employee receives benefits directly from Worker's Compensation and sick leave is no longer debited.
 - 5.2.2 In the event the illness causes the employee to be relieved from his duties beyond 90 calendar days, an application shall be made for Long Term Disability Benefits to begin upon expiration of Worker's Compensation Benefits.

That the Board of Trustees receive as information the attached changes to Procedure 107, Smoke Free Environment.

CURRENT SITUATION:

It has been brought to the attention of the Housing Coordinator that many of NSD's divisional housing units have been smoked in. Going forward NSD would like to clarify that Procedure 107, Smoke Free Environment also includes all divisional housing properties as well as schools and facilities.

58

Procedure 107

Smoke Free Environment

Background

The division has a responsibility to ensure that students and staff are protected from the harmful effects of smoking and second hand smoke.

Procedures

- All of the facilities and grounds including divisional housing under the control of the board are to be smoke free areas.
- 2. The principal shall ensure that all students, staff, parents and visitors to the school are made aware of the smoke free requirement in the schools.
- 3. Continued violation of the smoke free requirement in the schools will be brought to the attention of the superintendent Superintendent by the principal.
- The Housing Coordinator will inform tenants that the rental units are smoke-free.
- Violation of the smoke-free requirement in divisional housing could result in eviction.

To: Superintendents of Public, Separate, Francophone and Charter School Boards

Dear colleagues:

Thank you for taking the time to complete the survey we sent out last November regarding school nutrition programs in Alberta. The information you provided has been instrumental in helping determine next steps for development of a school nutrition program in the province.

I am pleased to announce the launch of a targeted school nutrition pilot program in select school jurisdictions. Alberta Education has identified 11 school jurisdictions to participate in the pilot, based on greatest need as determined by socio-economic status data from Statistics Canada:

- Calgary Board of Education
- · Canadian Rockies Regional Division
- Edmonton School District
- · High Prairie School Division
- Livingstone Range School Division
- Medicine Hat School District
- · Northern Lights School Division
- Red Deer Public School District
- St. Paul Education Regional Division
- Westwind School Division
- Wetaskiwin Regional Division

Each jurisdiction will choose one school to participate in the nutrition pilot project. Alberta Education will provide the 11 publicly funded school jurisdictions with \$250,000 in grant funding per jurisdiction for the 2016/2017 school year to assist in developing a pilot nutrition program. The results of the pilot will help inform decisions regarding nutrition programs for schools across the province in 2017/2018.

Alberta Education cares about the health and well-being of students in Alberta schools. I appreciate your support and co-operation as this project progresses.

If you have any questions, please contact your respective Field Services manager or Carolyn Lewis-Shillington, Education Manager, Field Services, at carolyn.lewis-shillington@gov.ab.ca or 780-415-5877 (dlal 310-0000 first for toll-free access).

Sincerely,

Curtis Clarke, PhD

Deputy Minister of Education

JULY 2016

Upcoming August Governance Seminars

Deadline is quickly approaching .

We are very excited to present our August Governance Seminar on: Local Bargaining Preparation, facilitated by Mr. Dave Johnson.

This worskshop will cover several items including how to respond to ATA proposals, how to use the bargaining process in the most effective way as well as several other items.

Please ensure you register as soon as possible as spaces are filling up quickly. Please note, that the Edmonton Governance session is a repeat of the Medicine Hat session.

The registration links for both sessions can be found below.

Secretary-Treasurer's Report September 8, 2016

For the Period Ending July 31, 2016

INTRODUCTION

In our year-to-date, for the period ending July 31, 2016, Northland School Division's operating costs are in line with the operating budget. There is about 8% left of the year, with about 12% left of the budget. There are pockets of activities that will be over budget (eg: boarding home allowances), but others that are under budget (eg: transportation). As well, there are some departments in which spending is heavy during the summer months (maintenance), and some departments have less spending over summer (School Food Services). Overall, the budget is on track. However, keep in mind that the Finance Department is busy completing year-end entries, and, depending on the amounts coming in on VISA expense claims, the adjusting entries could be significant. A projected year-end Statement of Operations should be available at the next board meeting.

REVENUE

Revenue received to date is in line with historical numbers and the budget.

EXPENSES

- Expenses are also in line with historical data and the budget.
- Salary expenses are right on track, with other expenses slightly under budget to date.

OTHER BUSINESS

Receivables

Two receivables are causing cash flow issues with the division (see below) – the \$3.4 million owed by Mikisew Cree First Nation and Woodland Cree First Nation, for \$447,000. There is an agreement with Mikisew to a repayment plan, but as of September 7, 2016, the August payment has not been made. Woodland Cree First Nation, through KTC, has verbally agreed to a repayment plan over 24 months, starting in September.

Cash flow

 Cash flow continues to be monitored regularly, as our projections still indicate we are under the three months' payroll limit (new procedure). We received payment for last summer's portable move, and partial payment from Woodland Cree, which eased the situation somewhat. Monitoring will continue, according to procedure.

Year-end audit

Work has started on the year-end audit. The audit dates the auditors are on-site has been
moved up about 10 days, so there is pressure to complete all the activities required to
prepare draft statements. This is the first year that the date has been this early, and appears
to be what is required by the Office of the Auditor General. After this year's audit is
complete, and a clean audit is obtained, consideration will be given to discontinuing the OAG
involvement in the audit process, and contracting an audit firm, in line with other school
divisions.
